EDUCATION

Paschimanchal Campus, IOE, TU
Bachelor's in Electronics, Communication and Information Engineering
2018 – 2023

Worldquant University
Applied Data Science Lab
March 2023 - September 2023

TECH SKILLS

- Languages -

Python, MsSQL, PostgreSQL, C++, Javascript, HTML/CSS

- Technologies/Frameworks -

ETL/ELT, Snowflake, Data Warehousing, Sklearn, Keras, Pandas, Pyspark, Tensorflow, Plotly Express, Seaborn, PowerBI, Version Control, Git, Data Wrangling, Web Scraping

- Artificial Intelligence

NLP, ML Algorithms, DL Algorithms, Convolutional Neural Networks

- Cloud Services

AWS S3, EC2 and Airflow, Azure AI Fundamentals

- APPs and APIs

RestAPI, Jupyter Dash app, Streamlit app

CERTIFICATIONS

- Microsoft Certified : Azure AI Fundamentals
- Machine Learning Specialization
- AWS Fundamentals Specialization
- Autonomous AI for Industry
- Python Core
- Data Fellowship
- Data Science and Business Analytics Intern
- SQL for Data Science

EXPERIENCE

Research Team
NAS-IT
- Collecting and Analyzing Government Data of Software and IT companies of Nepal.

Coding Instructor
Codingal | October 2023 - Present
- Python, Html/Css, AI and Machine Learning, Data Science, Javascript

Mero Coding Classes | May 2023 - Present
- Python and Scratch Instructor and Curriculum building.

Data Engineer Trainee
Fusemachines | August 2023 - September 2023
- Version Control, Advanced SQL, Streamlit app, RestAPI
- Pandas, AWS Fundamentals, ETL/ELT, Data Pipelines, Snowflake

Data Fellow
Code For Nepal
- Python, Shell, Git, Spreadsheets
- SQL, Pandas, EDA, Tableau

PROJECTS

Chatbot Based Support System for Mental Health and Well Being
Omdena Collaborative Project
Dataset - AnnoMI_dataset_ml - Sheet1.csv, mentalhealth.csv, global_therapy_list_new.json

Ball Tracking and LBW
Engineering Major Project
Dataset - Manual Collection
Overview - Reviewing controversial Umpire Decision Using ball tracking system

Sentiment Analysis using Transformers
Dataset - amazon-fine-food-reviews.zip
Overview - Determining customer reviews of a product as positive, neutral or negative

Isolated Sign Language Detection
Dataset - Manually taken from webcam corresponding to american sign languages
Overview - Machine vision to return meaning of sign languages.
